Managing Director's Message

Welcome to Amazetec Solutions. Our commitment to innovation and excellence ensures top-quality products and services. Thank you for choosing us as your trusted partner. Guided by our values of integrity, honesty, competency, collaboration, creativity, and respect, we aim to build lasting relationships and positively impact our communities. We prioritize employee welfare and tailor solutions to client needs. Together, embracing innovation and upholding our values, we will achieve new heights of success. Let's embark on this journey with renewed energy and a shared vision for excellence.

SOBIA SARMAD
FOUNDER & MANAGING DIRECTOR

COO's Message

At Amazetec Solutions, we are committed to delivering innovative and reliable technology solutions that enhance the operational efficiency and safety of businesses across Qatar. As the Chief Operating Officer, I am proud to lead a team of dedicated professionals who are passionate about providing top-notch services in IT infrastructure, security systems, and more. At Amazetec Solutions, we believe in a customer-centric approach, tailoring our services to meet the unique needs of each client. Our commitment to excellence and continuous improvement is at the core of everything we do.

ADNAN KAREEM

CHIEF OPERATING OFFICER

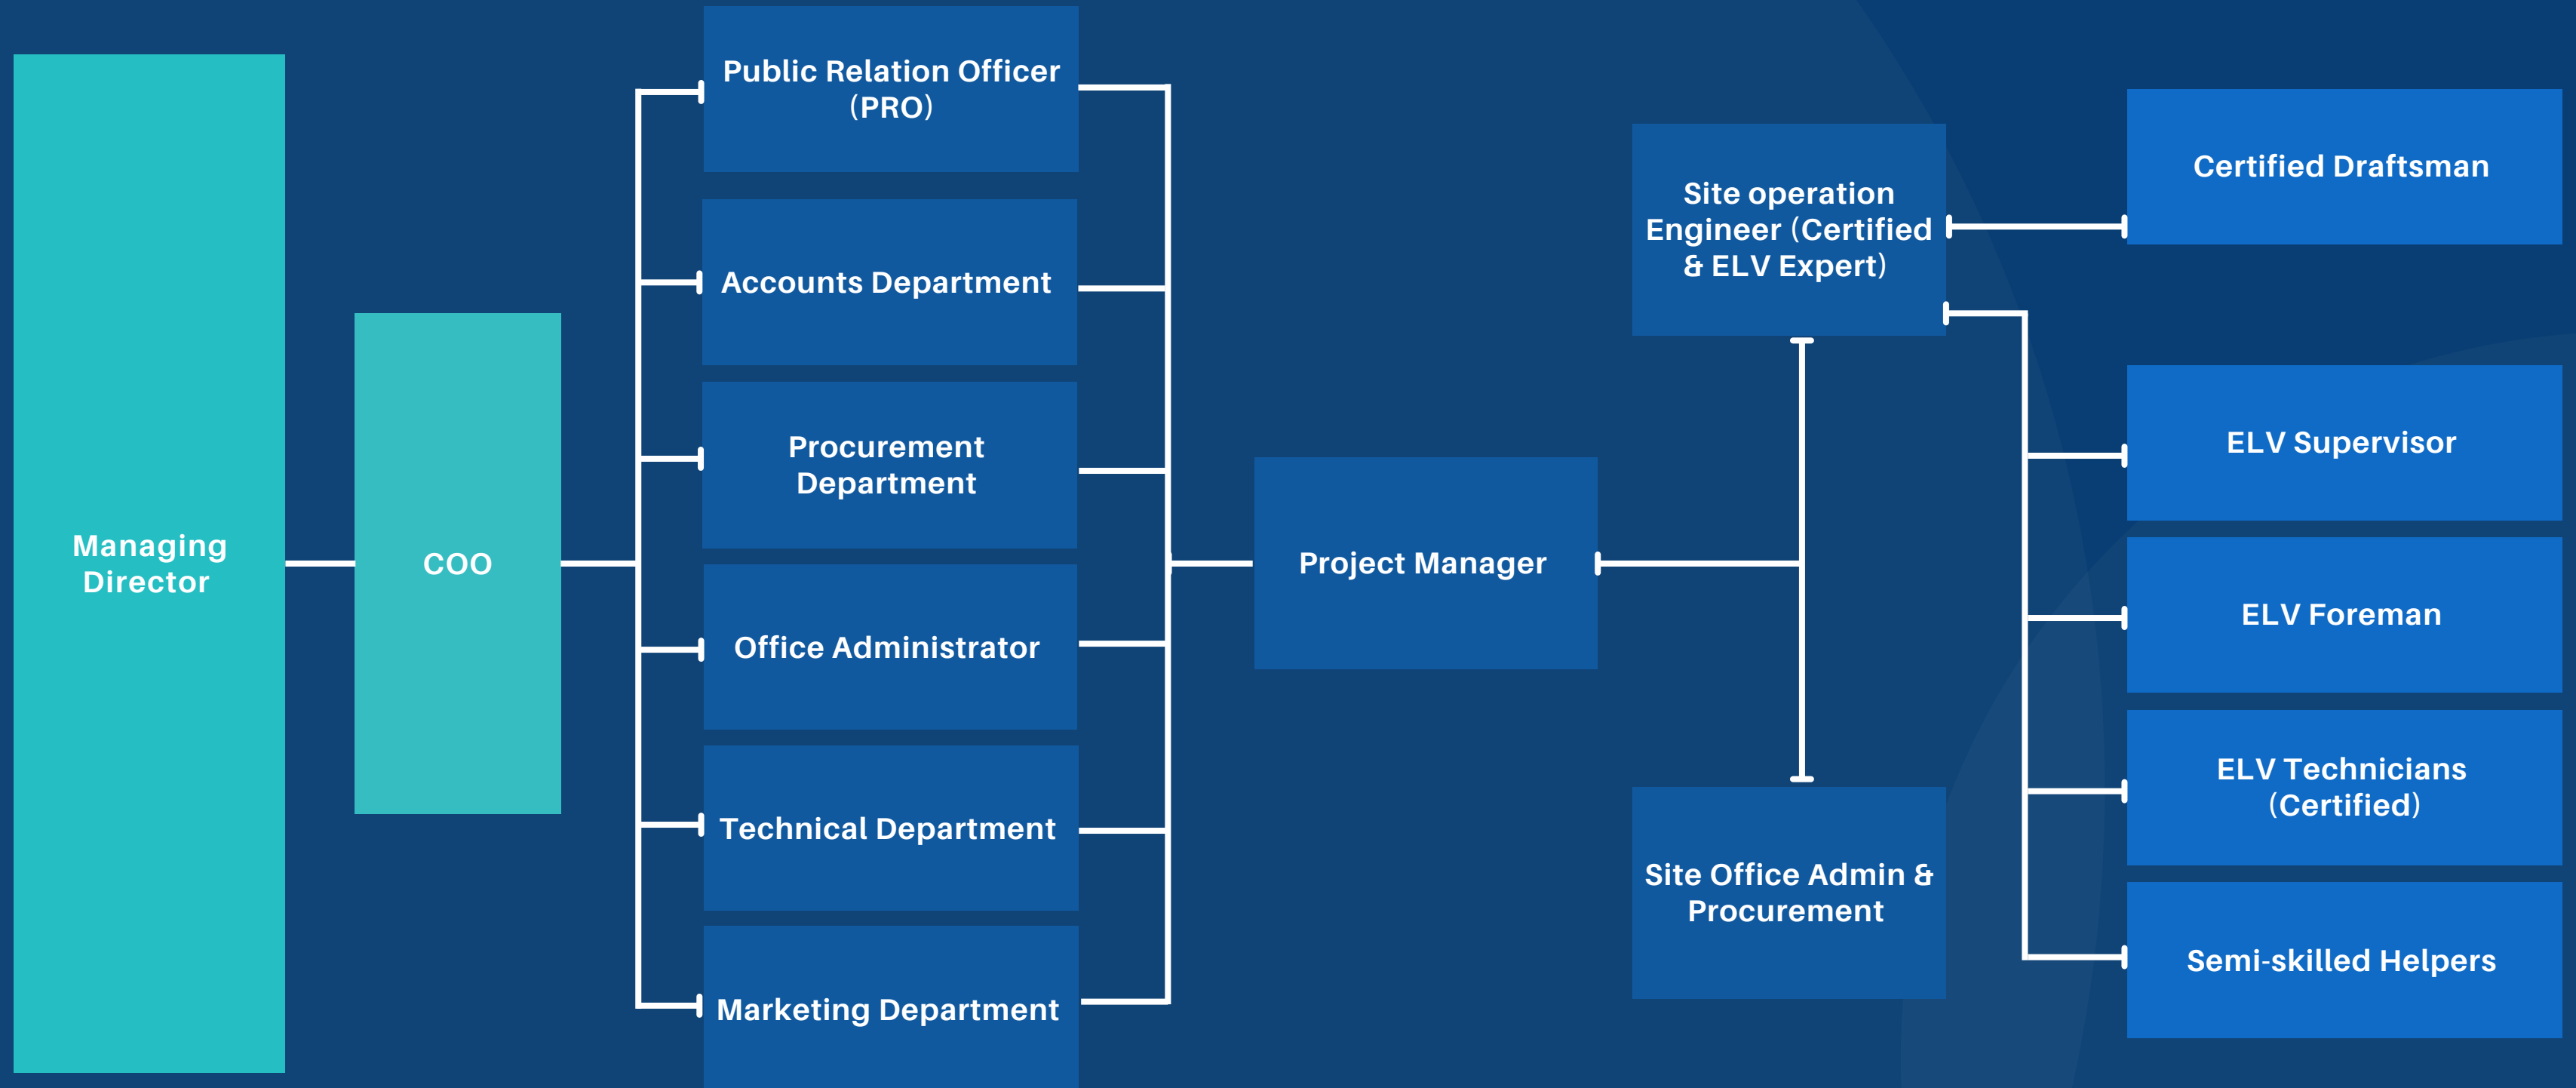

About Company

Established in Doha, Qatar, Amazetec Solutions is a leading provider of cutting-edge IT and Security solutions, dedicated to enhancing the operational efficiency and safety of businesses across the region. With a team of highly skilled professionals and a customer-centric approach, Amazetec Solutions has earned a reputation for delivering tailored solutions that meet the unique needs of each client.

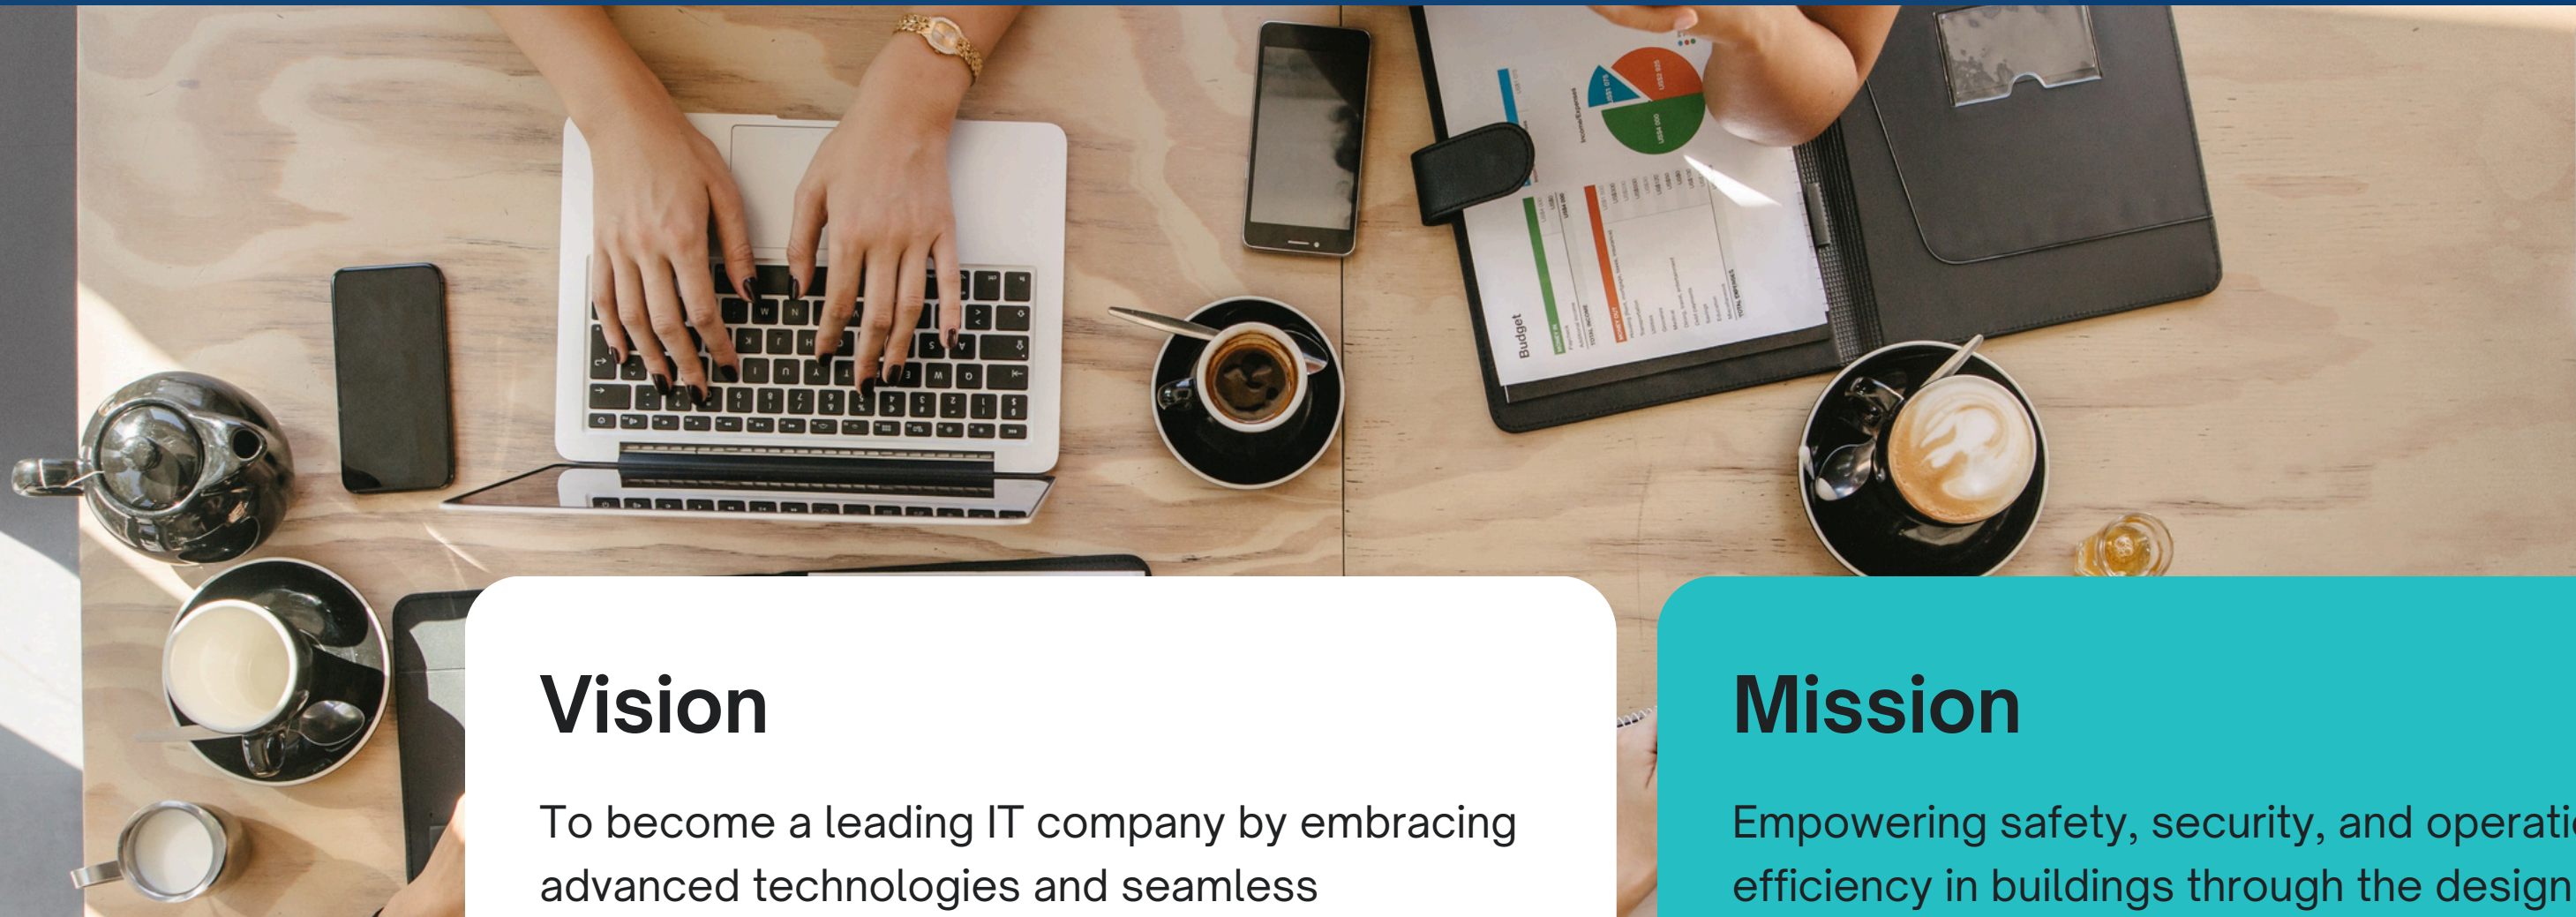

Organizational Chart

Our Values

Vision

To become a leading IT company by embracing advanced technologies and seamless integration to transform buildings into safer, smarter, and more efficient spaces.

Mission

Empowering safety, security, and operational efficiency in buildings through the design and implementation of reliable, high-quality solutions.

Our Core Principles

At Amazetec Solutions, we are guided by three fundamental principles that shape our approach to delivering exceptional services and solutions.

Innovation

Our forward-thinking strategies ensure long-term success and growth for our clients, leveraging cutting-edge technologies and tailored solutions.

Customer Focus

We prioritize stability by providing robust, seamless, and secure solutions that enable our clients to focus on their core business objectives.

Safety

Our HSE Policy ensures a safe working environment, promotes sustainable practices, and demonstrates our commitment to ethical and responsible business practices.
